

ANNOUNCEMENT

To: - All Applicants

SUBJECTS: - MEDICINE REGISTRATION NOTICE

EFMHACA management committee at its meeting held on 31, Oct, 2018, decided to give fast track registration for highly important medicines that are currently required at the health institutions.

Therefore, all interested applicants are kindly invited to apply the following listed medicines and medical supplies through fast track registration route.

N.B All applicants should take the following points into consideration and their application should fulfill a minimum of the following requirements.

1. SOURCE ELIGIBILITY	<ul style="list-style-type: none"> • All stringent Regulatory Authority approved and WHO Prequalified medicines are invited for direct approval with the exception of approvals under the accelerated (FDA)/conditional approval (EMA) mechanisms. Please refer the list of stringent regulatory authorities recognized by EFMHACA at www.mris.fmhaca.gov.et/ (use EFMHACA provided user name and password) • Medicines having a positive opinion under article 58 of Regulation (EC)No.726/2004 in the EU. • Alternative strengths for which one or more strengths were already approved by EFMHACA (Both for SRA and NSRA sources).
2. ADMINISTRATIVE REQUIREMENTS	<ul style="list-style-type: none"> • An applicant should properly fill online application using EFMHACA provided user name and password. • GMP wavier certificate from EFMHACA. • MA of referenced SRA or WHO pr-qualification. • Labeling information (Primary and Secondary packaging ,SmPC & PIL). • Accelerated and long term Stability study data for SRA approved medicines that satisfy storage condition of Zone IVb. • Accelerated and long term Stability study data conducted other than <u>Zone IVb</u> is also acceptable with the condition that the manufacturer is committed to conduct and provide stability study data for <u>Zone IVb</u>. • Free sale certificate for medical devices and diagnostics (Authorization is not mandatory)

	<ul style="list-style-type: none"> • Declaration letter of similarity for SRA referenced approved & WHO pre-qualified medicine. • Proof of evidence for service fee that is preformed at each stage. i.e service fee for screening, Assessment and lab. Test.
3. TECHNICAL REQUIREMENT	<ul style="list-style-type: none"> • Electronic copy of the application dossier in CTD format • All sections of the application dossier should be updated as per the instruction of the MRIS. • One electronic copy of the same dossier should be submitted in person to the customer service directorate

If all the requirement are fulfilled , the Authority is committed to give a response within seven (07) working days for the following listed medicines and medical supplies. The above requirement(s) is(are) also applicable for medicines which are not included in this list; provided that it's approved by stringent regulatory Authority and or prequalified by WHO.

187.	Paucibacillary- (PB)	Tablet/ adult Tablet/ child	of 6 blister	Pack	From any <u>SRA APPROVED</u> and or WHO prequalified source.

F. Malaria Medicines					
188.	Chloroquine Phosphate	Tablet	150mg	100x10	From any <u>SRA APPROVED</u> and or WHO prequalified source.
189.	Primaquine Phosphate	Tablet	7.5mg base	1000	From any <u>SRA APPROVED</u> and or WHO prequalified source.
190.	Quinine Sulfate	Tablet	300mg	10x10	From any <u>SRA APPROVED</u> and or WHO prequalified source.
191.	Rapid Diagnostic Test (Malaria AGPF/PV)				From any <u>SRA APPROVED</u> and or WHO prequalified source.
G. Vaccines					
192.	TT (Tetanus Toxoid) Vaccine				From any <u>SRA APPROVED</u> and or WHO prequalified source.

S.No.	Description of medical supplies	Size /type	Remark
1.	Chemical - Acetone Alcohol - 50% - Solution	500ml	Could be imported without registration
2.	Chemical - Formaldehyde - 10% - Solution	Liter	Could be imported without registration
3.	Chemical - Hydrochloric Acid - 0.1N - Solution	500ml	Could be imported without registration
4.	Chemical - Immersion Oil - Refractive Index of 1.515	100ml	Registered with different size and this is highly needed
5.	Chemical - White Blood Cells Diluting Fluid (Glacial Acetic Acid) - 2% - Solution	500ml	Registered with different size and this is highly needed
6.	Chemical - Ultrasound paper	Roll	Registered with different size and this is highly needed
7.	Chemical - CT Scan/MRI Films 35X35cm	100	ON Registration process
8.	Chemical - CT Scan/MRI Films 35X43cm	100	ON Registration process
9.	Chemical - Mammography Film 24x30cm	100	ON Registration process
10.	Blood Collecting Bag CPDA1 Anticoagulant Quadruple - 450ml	Each	Registered with different size and this is highly needed
11.	Blood Collecting Bag CPDA1 Anticoagulant Single - 350ml	Each	Registered with different size and this is highly needed
12.	Cerclage-Wire, 1.4 diameter with 10 meter length	Each	Registered with

			different size and this is highly needed
13.	Cerclage-Wire, 1.8 diameter with 10 meter length	Each	Registered with different size and this is highly needed
14.	Goggle Eye plastic	Each	Registered with different size and this is highly needed
15.	K-wire 0.8 mm diameter with 15 cm length	Each	Registered with different size and this is highly needed
16.	K-wire 1.2 mm diameter with 15 mm length	Each	Registered with different size and this is highly needed
17.	K-wire 1.6 mm diameter with 25 mm length	Each	Registered with different size and this is highly needed
18.	K-wire 2.0 mm diameter with 25 mm length	Each	Registered with different size and this is highly needed
19.	K-wire 2.6 mm diameter with 50 mm length	Each	Registered with different size and this is highly needed
20.	Oropharyngeal Airway (Guedel) Sterile - 120mm	Each	Registered with different size and this is highly needed
21.	Oropharyngeal Airway (Guedel) Sterile - 60mm	Each	Registered with different size and this is highly needed
22.	Oropharyngeal Airway (Guedel) Sterile - 90mm	Each	Registered with

			different size and this is highly needed
23.	Plaster Of Paris (P.O.P) - 10cmx3m	Dozen	Registered with different size and this is highly needed
24.	Plaster Of Paris (P.O.P) - 15cmx3m	Dozen	Registered with different size and this is highly needed
25.	Pump Breast Manual Plastic -30ml	Each	Registered with different size and this is highly needed
26.	Surgical Absorbable Hemostat -1" x 2"	Dozen	Registered with different size and this is highly needed
27.	Surgical Absorbable Hemostat -2" x 4"	Dozen	Registered with different size and this is highly needed
28.	Surgical Absorbable Hemostat -4" x 4"	Dozen	Registered with different size and this is highly needed
29.	Surgical Absorbable Hemostat -4" x 8"	Dozen	Registered with different size and this is highly needed
30.	Wire Dental No. 26	Each	Not yet registered
31.	Wire Dental No. 25	Each	Not yet registered
32.	Auto refractor	Each	Not yet registered
33.	Bowl-With Stand, Stainless Steel, 300ml	Each	Not yet registered
34.	Dish-Stainless Steel, Large , Round,20L	Pack	Not yet registered
35.	Drum-Konrich, 240xh240mm	Each	Not yet registered
36.	Enema Can - 2L and 1L	Pack	Registered with

			different size and this is highly needed
37.	ESR Stand-Stainless Steel Or Plastic, 20, 30 and 60 Minute	Pack	Registered with different size and this is highly needed
38.	Eye Google-Indirect Vent, Clear Opycarbonate	Each	Not yet registered
39.	Eye google-UV protective	Each	Not yet registered
40.	Fiber-Glass with all standard type, size and quantity, 5 and 10 cm	Pack	
41.	Flexible titanium mesh with unicortical self-tapping screws 0.6 mm mesh cutting tool	Each	Registered with different size and this is highly needed
42.	Galipot-Stainless Steel, 100ml	Each	Registered with different size and this is highly needed
43.	Gillis tissue forceps 160mm 6 ¼"	Pach	Registered with different size and this is highly needed
44.	Needle Holder-Kal Needle Holder 14cm	Each	Registered with different size and this is highly needed
45.	Retractor - Kocher, 240mm 9 ½" 80x42mm	Each	Registered with different size and this is highly needed
46.	Scissor-Stitch, 17 Cm	Each	Registered with different size and this is highly needed
47.	Scissor-Straight, Stainless Steel, 14.5 Cm	Each	Registered with different size and this is highly needed

48.	Scissor-Tissue, Curved, 20 Cm	Each	Registered with different size and this is highly needed
49.	Scissor-Umbilical Cord Curved 135mm Stainless Steel	Each	Registered with different size and this is highly needed
50.	Screw-lock, Safety 3.5 mm self-tapping	Each	Registered with different size and this is highly needed
51.	Screw-Pedicle, fixation system, lumbar and thoracic	Each	Registered with different size and this is highly needed
52.	Set-knee, arthroplasty	Each	Not yet registered
